

Early Registration Deadline Extended!

Register by February 15, 2009

National Association for Interpretation

International Conference

Athens, Greece

May 6-10, 2009

www.interpnet.com/ic

Don't miss your opportunity to attend the 4th annual National Association for Interpretation International Conference in Athens, Greece, May 6-10, 2009. **The early registration deadline has been extended to February 15, 2009.** After this date, registration rates increase, so book your space now.

Every year since 2006, interpretive professionals from around the world have gathered at this event to network, form unique friendships, and help one another grow as professionals. This year's event explores the theme of "Interpretation crosses cultural boundaries" in the beautiful and historic city of Athens. This conference attracts interpretive professionals from over 30 countries each year.

For complete registration information and a list of speakers and topics, please visit www.interpnet.com/ic. We hope to see you there!
